

PUBLIC NOTICE

Date: 12/21/2018

The Camden County SB 40 Board, dba Camden County Developmental Disability Resources (CCDDR), has determined through first-hand knowledge, research and experience that OATS, Inc. operates the only current public transit system in Camden County and surrounding counties which provides Federally and state subsidized funding for transportation services accessible by the general public, offering the least expensive and most accommodable service benefit for CCDDR clients. CCDDR recognizes OATS, Inc. as a single feasible source purchase for public transit and other related transportation services and intends on signing and executing Memorandums of Understanding (MOU's), service contracts or other similar instruments with OATS, Inc. 10 days from the date of this notice.
