# LAI Employees Recognized

## November- Toshia Graham

Toshia was selected as the employee of the month for November because she is not afraid of hard work and we can't find anything she can't do! Her favorite job at LAI is sealing and dog cookies. Outside of work, she likes to paint, watch T.V. and play on her phone. Her 3 favorite foods are Pizza, Chili, and Biscuits and Gravy and her favorite holiday is Halloween. Toshia likes to vacation in Florida so she can see her family and the beach. If she had to be an animal, she would like to be a wolf.

## December- Shelly Smith

Shelly Smith was selected as the employee of the month for December because she is always smiling and is always kind. Shelly's favorite job at LAI is material handling. Outside of work she likes to draw (she is always coloring beautiful pictures for the staff)! Shelly also collects baseball cards. Her favorite foods are pizza, tacos, and hotdogs and

her favorite holiday is Christmas. Shelly would like to go to Washington D.C. and meet Donald Trump someday. If she had to be an animal, she would like to be a tiger.

## Integrity Award- Jason Willis

Jason found money in some of the paper he was sorting in shredding and turned it into his supervisor. The money was returned to our customer and a year later after no one claimed it, our customer decided to donate it to 5 local non-profits, including LAI.
