## February 2019

### Housing Voucher Program

For 25 families, CCDDR helps to pay a por-  
tion of their rent each month. There are oth-  
ers on the waiting list for the program.

For all clients who are currently receiving a  
housing voucher and for those who are on  
the waiting list, there is a **mandatory** class.  
Families who choose not to attend one of  
the four sessions offered are removed from  
the program. The classes will be held at  
255 Keystone Industrial park Drive, Cam-  
denton, MO 65020 and will last about one  
hour. If anyone needs transportation to the  
training, that can be arranged. People on  
the program or on the waiting list are en-  
couraged to RSVP by Friday February 15,  
2019. The four options for the class are as  
follows:

- Monday March 4, 2019 at 6:00 pm
- Tuesday March 5, 2019 at 4:00 pm
- Wednesday March 6, 2019 at 10:00 am  
or at 4:00 pm on the same day.

There are significant changes to the pro-  
gram coming up in the weeks ahead. The  
classes will give you an opportunity to ask  
questions if there  
is anything that  
you are confused  
about.

# Resources

CCDDR keeps a list of resources in the community for clients and family to access on our web page under Resources [www.cddr.org](http://www.cddr.org). During the month of February, it will be updated and reformatted. If there is anything you wish to add to the resource list, please let us know.

Jennifer Lyon pointed out a free application that could benefit a number of our autistic clients. The name of the company is Magnusmode and can be found at <https://www.magnusmode.com/> It's free and designed for older children and adults who need a visual schedule. It allows them to personalize their steps and once they finish one step, the next one loads.

**Someone donated multiple cases of incontinence garments so if you have need of such a product, please call Connie at our Camdenton Office 573-317-9233.**

**Saturday Feb 9, 2019 will be the first Learning Luncheon sponsored by ARC of the Lake. Starting at 10:30 located at Warehouse 55: 302**

**E. North Street, Eldon.** The topics will include ABLÉ accounts and other financial planning strategies. Lunch will be provided by Deirbergs and then another presentation will be made on Victimization. Please RSVP through your support coordinator so we will be sure to have enough food for attendees.

## Universal Design Housing

There are people in the community stepping up to help with housing that is accessible to wheelchair users. The house pictured below will have no steps, wide doors, no hallways, high ceilings, access to the shower and toilet etc. If you are a wheelchair user now or will be in the future, watch for information about the open house that will be set later this spring. If you want more information, contact Linda Gifford at 573-693-1511.
