## March 2019

### LAI Employee of the Month:

#### Jason Ivie

Jason was selected as Lake Area Industries employee of the month for January because he has been such a good addition to the team since he started at LAI. He is willing to help wherever he is needed and is kind and fun to be around. Jason's favorite job at LAI is anything but bagging because he doesn't like to sit still! In his spare time Jason likes to relax by watching TV and playing video games. He loves Chinese food and would like to take a vacation in Vietnam. If Jason had to be an animal, he would choose to be a small monkey because they are so funny and cute..

If you are looking for a place to visit, try Wonders of Wildlife National Museum and Aquarium in Springfield. You can see from the smiles below that it was a great day.

If you have not yet attended the local **People First Group**, this Valentine's day photos might convince you to join.
