Spotlight on Staff

Please welcome Stephanie Enoch as the newest addition to the CCDDR Staff. Stephanie has a Bachelor's Degree in Applied Behavioral Science. As an Integration Health Specialist with Compass health, she had an opportunity to learn this community and its resources very well. She took over a caseload of 30 clients and we are sure she will bring energy, compassion and fresh ideas to the table that will benefit all of our clients. Stephanie moved here from Colorado in 2015. She is a foster parent and has 2 daughters of her own. The 3 of them keep her informed about life from the perspective of teenagers.

Celebrating accomplishments

Look at the smile on Adrian Russell's face as he gets ready for driving lessons in a bright red Mustang. Adrian loves his driving lessons with Rogie. Adrian has practiced driving in all kinds of conditions. He is doing well and gaining confidence in driving. The side benefit is that this increase in confidence has carried over to other areas in his life. Maybe learning to drive is one of your goals? If so, please contact your SC and see if we can help you achieve that goal.

Staff from LAI and Gifted Gardens had a wonderful time marching in the 2019 Dogwood Parade. If you want to buy flowers or vegetables, give their shop a visit!
